Moving Forward Bay Area Economy and Infrastructure

About the Event

In celebrating AAAE's 40th anniversary, we are honored to have the mayors of San Francisco, Oakland, and San Jose present their visions on sustaining the Bay Area's economic boom and approaches to infrastructure financing. The three mayors—**Ed Lee**, **Libby Schaaf**, and **Sam Liccardo**—are significant driving forces in fostering the recent tech boom and in addressing key issues of affordable housing, traffic congestion, sea level rise, and global warming.

Gabriel Metcalf, SPUR's Executive Director, will be moderating the mayors' presentations. Under Gabriel's leadership, SPUR has been on the forefront of advocating smart growth and sustainable development in the Bay Area. Gabriel's insights are sure to make the mayors' presentations provocative, stimulating, and inspirational!

Please join AAAE in celebrating this exciting 40th year anniversary with a night of fun and enlightenment!
